Yearbook Photos!

Our sincere thanks to Mr. and Mrs. Sakamoto for spending an entire day taking the photos for the yearbook - they look great!

Many of you have asked for copies of the pictures of your child. The school has all the pictures in digital format. So we are making the pictures available to you electronically for a small fee.

For 500 yen per child, we will email you all the individual photos taken of your child that day. You can then print them as many times as you need. This small donation will be used to make the cost of the yearbooks cheaper for everyone.

Please print this out, put in an envelope with 500 yen and return to the school. Your pictures will be sent!

Questions? Contact us at ptayokohama@horizon.ac.jp.

Thanks!

Child's Name _____

Grade _____

Email address to send pictures to _____

Parent signature _____

Please return to the school in an envelope with 500 yen. Thank you
